Parents & Citizens Association Inc.

We welcome you into our School community. We are proud of our School which promotes harmony among its students and encourages them to strive for educational excellence.

As a parent/carer of a student at Leeming SHS, we urge you to become an active P&C member in 2014.

Your P&C has two vital roles at Leeming Senior High School.

First and foremost, P&C meetings provide you with a School-based Parents’ Forum, through which you have a direct link with the School, its Principal and its administration. As a consequence you are able to make a positive contribution to the educational opportunities enjoyed by all children at our School.

The second critical role the P&C has at our School is to raise funds that directly support the high quality of educational programs Leeming Senior High School offers to all our students.

As our School Community has a deliberate policy of not running major fundraising activities, fetes or raffles during the School Year, the P&C relies entirely on raising much needed funds in the three ways:

Firstly we encourage parents and carers to make a voluntary P&C contribution of $35 per student.

Secondly we ask parents and carers to make a Tax-Deductible $30 donation to the P&C Building Fund which is used to help improve school facilities for the benefit of all students. The Fund will be used to upgrade infrastructure facilities in learning areas such as the Performing Arts Centre. All donations will be issued with a receipt for taxation purposes.

Thirdly, the P&C provides essential services by operating the School Canteen, the Uniform Shop and the Second-hand Shop. Each of these services operates with the lowest possible overheads and profit margins to maximise benefits to students and parents alike. The continued success of these services however is very much dependent on the generous support of our parent volunteers.

Any surplus funds these three services generate are transferred into the P&C General Account and used, together with the other funds raised, to provide additional School resources for our students.

P&C Meetings are held twice each term, on Wednesday evenings commencing at 7.30pm.
