ADDITIONAL FORMS

Please refer to the boundary map to determine whether your application for enrolment will be IN AREA or OUT OF AREA, also refer to schools online link below.

http://www.det.wa.edu.au/schoolsonline

The Department of Education and Training has designated Leeming as a local intake area school. Under the School Education Regulations 2000 that specify enrolment priorities, guarantee is for every student to have a place at a school based on their usual place of residence. Enrolment decisions in public schools are made according to criteria based on age, residential location, visa status and educational needs. Our three local Primary Schools are Leeming, West Leeming and Banksia Park. If your child is attending one on these local schools and their usual place of residence is not in the local-intake area, your application will be an OUT OF AREA application.

APPLICATION FOR ENROLMENT

General Information
A parent or legal guardian applying to enrol a child in a government school should complete this form. Only permanent residents of Australia and those children holding an approved visa sub class number are eligible to be enrolled in government schools.

Before you submit this application, please contact the school to find out about the school policies and whether required courses and facilities are available for your child. Please complete one form for each child and attach proof of your usual place of residence to this application form. An example of this would be a utilities account (electricity, water or telephone) showing your name and usual place of residence.

This is an Application for Enrolment only - submitting this form to the school does not mean that the enrolment has been accepted by the school. The Deputy Principal will firstly need to determine if there is classroom accommodation and an appropriate educational program can be provided for your child at the school. In determining whether an appropriate educational program can be provided for your child at the school, the principal will need to fully consider the information provided in Section 3 on the application form.

You will be notified by the Deputy Principal if your application has or has not been accepted at the earliest opportunity. In the majority of cases, parents/guardians will be advised within 48 hours. For parents applying to enrol their children in Leeming SHS for next year, you will be advised of the outcome of your application by early fourth term.

If your application is accepted, you will be required to complete enrolment procedures at the school. Parents/guardians should ensure that their child’s birth certificate, immunisation records, school reports, records and samples of work from the previous school, and any Family Court orders or parenting plans registered with the Family Court, are made available at the time of enrolment.

NB: It is a requirement of the Education Department that any information on suspensions and exclusions must be provided to the school at the time of applying to enrol a child. This information will help the school to provide your child with the appropriate support, if required. Children currently under suspension from a government school cannot be enrolled at another government school until the suspension period is over. Children who have previously been suspended or excluded from a government school may be required to enter into a behavior agreement with the school if enrolment is accepted.

Transport
If you are applying to attend a school other than your local school, transport will be your responsibility. All enquiries regarding school bus services should be directed either to Leeming Senior High School or to the Department of Transport.

Appeals
Should you disagree with the school’s decision regarding your Application for Enrolment you can appeal to the District Education Office in the district in which the school is located. The District Office will then seek to verify whether the process for managing the enrolment decision at the school complied with department policies and guidelines. Prior to submitting an appeal, however, it is recommended that you contact the school principal or the Manager District Operations at the district office to discuss your grievance informally. Appeal forms are available from either the school or the district office.

For parents of students with a disability – If you are still in dispute with the decision about placement of your child, you may request an independent review of the decision. You should put your request in writing to the Director-General, through the relevant District Director. A Disabilities Advisory Panel will be convened by the Executive Director, Education Programs to review the placement decision. An opportunity will be provided by the panel for you to present your case. The District Director will be able to provide you with detailed information about the panel.

Confidentiality
All information provided on this form will be treated confidentially. The Education Department's Information Privacy and Security Policy and Section 242 of the School Education Act 1999 preclude this information from being used for any purpose other than:
- to determine whether your application for enrolment can be accepted;
- to assist the school with addressing any needs for your child if enrolment is accepted; or
- to comply with legal requirements or ministerial directions.
