April Revision Program

Our April Revision program is aimed at strengthening students’ knowledge and understanding of the syllabus. The classes will prepare students to perform better in their first semester exams early in term 2. To facilitate this success the class numbers are kept low.

Program includes:
✓ Classes for year 10, 11 and 12 students
✓ Subject revision
✓ Small groups
✓ 5 hours of Study Skills
✓ 5 hours of Essay Writing
✓ 10 hours of subject revision

STRUCTURE
The ten hours of subject-revision is broken up into two hours a day for five days. The Study Skills and Essay Writing programs are one hour a day for the five days. The small group classes allow teachers to handle the specific needs of individual students.

A SUCCESSFUL PROGRAM
Students attending holiday revision programs report that they feel more confident tackling assignments and are better prepared to sit their exams.
