- 2) Remember to attach an Enrolment Form. If you live within the catchment boundary please use an IN AREA Enrolment Form. You can also refer to the schools online link below.)

The Department of Education and Training has designated Leeming as a local intake area school. Under the School Education Regulations 2000 that specify enrolment priorities, guarantee is for every student to have a place at a school based on their usual place of residence. Enrolment decisions in public schools are made according to criteria based on age, resident location, visa status and educational needs.

Our three local Primary Schools are Leeming, West Leeming and Banksia Park. If your child is attending one of these local schools and their usual place of residence is not in the local-intake area, your application will be an OUT OF AREA application.
