Minimum specifications

Parents may choose any device for their child providing it meets the minimum specifications to enable the best connection to our school network as indicated below:

- **Operating System:** Windows 10 Pro
- **Software: MS Office:** MS Office 365 supplied for free by the Department of Education. Students can do this once they are at school. Year 7's will be shown in Digital Literacy classes

Preferred if available:

- **Touch screen & Digital Pen enabled preferred** to allow handwriting. (ie: Maths use on Education Perfect).

Only computers meeting the minimum specifications provided by the school will be able to be supported for connection to the school's network. Whilst at school, students must connect to the school's network (this allows access to the Internet and other network facilities.)
