

Leeming SHS Library & SmartRider Card

In 2021, all new students will be issued with a new plastic library card. One side has the student's name, photo and date of birth to be used for borrowing resources from the Library and also for identification. The other side is their SmartRider for public transport through TransPerth.

If students don't need to use the SmartRider, then they simply use the Library card. When they need to use the SmartRider, they can put money onto it at train/bus stations, phone or online.

If a student loses their card, they will need to apply at the Library for a replacement. (\$5 replacement cost)

2021

All new students will receive a Library-SmartRider card at the beginning of the school Year (2021).

Students will have a photo taken during their Orientation visit in 2020 or in their first few days at Leeming SHS. (New students will be called up to the Library).

Year 7 students who currently use a SmartRider card will have their photo taken during transition however; it will be held until the beginning of the school year to be sent through to TransPerth.

This will allow students to continue using their SmartRider cards until the beginning of the school year when their new Library-SmartRider card will become current.
