VOLUNTARY CONTRIBUTIONS FOR YEAR 7 TO 10

Schools are required to make sure that all students can choose an educational program that satisfies the requirements of the Curriculum. The Department of Education policy states that the maximum Voluntary Contributions that can be requested is \$235.00. If the Secondary Assistance Scheme is claimed, it pays for the student's Voluntary Contributions. These are contributions to core subjects and some electives.

COMPULSORY CHARGES FOR ALL YEARS

The Compulsory Charge/Charges are applied to students who have elected to participate in electives which incur an extra cost. (Refer to the School Education Act 1999, Section 98)

In accordance with the Department of Education Contribution and Charges policy we request a 50% payment for all **Certificate Courses in Year 11 and Year 12 by 31 January 2022**. Students' participation is conditional on this payment.

VOLUNTARY APPROVED REQUESTS

TECHNOLOGY and CURRICULUM IT

Leeming Senior High School has computers, notebooks and associated printers for the students to use and these are connected to the Internet via the school's network.

Students have access to email, internet and international learning communities. We have purchased a range of software packages to meet the individual learning needs of our students. Your \$25.00 contribution enables us to continue the growth of this wonderful, but rapidly changing learning tool, and provides funds to upgrade and obtain licenses for software packages.

LIBRARY

The Library request of \$35.00 assists in the purchase and provision of resources supportive of the implementation of the school plan (Literacy). These include:

- Fiction and non-fiction print and electronic resources to promote literacy and encourage recreational reading, reading for a purpose, plus the implementation of research skills supportive of all learning areas.
- Resources include - subject texts, books, online encyclopedias, newspapers, magazine subscriptions, iPads, Apps, e-Book readers, e-Books, A/V equipment, etc.

PARENT AND CITIZEN ASSOCIATION & P&C BUILDING FUND AND CONTRIBUTIONS

This is a parent committee that decides on the distribution of funds collected based on current information provided by our school. The P&C Building Fund allocates funding to requested school upgrades. Please refer to the P&C letter in the Parent Information Package.

CHAPLAIN – STUDENT SUPPORT SERVICES

The School Chaplains are integral members of the Student Services team at Leeming SHS and a \$15.00 donation helps provide the necessary services. The Chaplains provide holistic pastoral care, mentoring, teaching on emotional intelligence and relational issues, welfare support and cultivate a greater connectedness to various support agencies and community organisations.

Additionally, the Chaplains encourage the school to have an outward humanitarian focus by supporting various projects.

The Chaplains' role is not a religious one, but rather a pastoral care role that respects the rights of individuals and their belief systems.

HOUSE AND CARNIVAL EVENTS

\$10.00 is provided to cover any Sporting Carnivals and events held at the school.

PUBLICATIONS

The school uses a number of publishing platforms to communicate with parents such as.

- Excursion and information letters to parents
- Absentee and SMS Communications System
- Newsletter (electronic)
- Compass
- Website & Facebook

To cover the costs associated with all publications we ask parents a contribution of \$8.00 per year.

OTHER OPTIONAL COSTS

PAPER USE

Once students have used an initial \$5.00 paper allocation that is credited to them, they can purchase additional printing credit at the Library. If your child is doing subjects that are in Computing, Business Education, English or HASS there may be a higher usage of printing paper than other subjects.

YEARBOOK - SURVEYOR

This is a record of events and achievements for the year and is a great keepsake for your student. The cost is \$25.00 and must be paid by 29 October 2022. Past years copies of the Surveyor can be viewed at the School Reception. This item is provided by an outside source.

VALEDICTORY – Year 12 Only

The Valedictory ceremony is a formal conclusion to the Year 12 course and each student's journey through High School. The location of the ceremony will be determined at the start of 2022

The \$100 fee for the Valedictory Ceremony (included in the Year 12 School Fees) covers venue hire, full ceremony gown hire, a school sash (for the students to keep) and a Class of 2022 photo for each student

The costs for the Valedictory tickets are paid separately from the school fees. Early in Term 4, we send our parents and guardians an e-mail containing information on the Valedictory and how to purchase a ticket and the cost.

SCHOOL BALL – YEAR 12 ONLY

The School Ball is invoiced and paid during Year 11 and it is held in Term 1 of Year 12.

In addition to the essential curriculum activities that are covered by learning areas, a wide range of Optional Enrichment Activities are planned for 2022 on a pay-as-you-go basis. We would prefer these payments through our BPoint system.

PAYMENTS AND CONTRIBUTIONS FAQs

Q: If you call some charges 'Voluntary', why should I pay?

A: As per the Department of Education guidelines students are entitled to participate in an educational program that satisfies the requirements of the Western Australian Curriculum and Assessment Outline. The Department of Education allocates basic funding to each school according to the number of students and gives principals and School Boards the autonomy to increase resources to their core subjects and some elective subjects.

The School Education Act 1999, School Education Regulations 2000 and Department policies establish that schools can request up to \$235 in Voluntary Contributions. Our School Board and Principal have agreed to request parents to pay Voluntary Contributions as these extra funds allow us to provide critical additional educational resources in our core subjects and some elective subjects. Every cent is allocated to the invoiced School Year and is used on that year so that it benefits your child directly.

Although its name seems to indicate they are inconsequential fees, the Voluntary Contributions allow our teaching staff to enrich their programs with what we believe are vital educational resources for the classroom.

Q: What's the difference between Voluntary Contributions and Voluntary Approved Requests?

A: Voluntary Contributions are allocated to resources requested by the teaching staff for their classroom.

A: Voluntary Approved Requests are costs that the School Board has deemed necessary to keep the school in good standing and condition. In past years Voluntary Approved Contributions have helped the school purchase items such as:

- Lockers
- Air Hockey Tables
- Library shelves and chairs
- Whadjuk/Noongar Dual naming of School Building Project.
- Year 7 Area with table-tennis table and Barbecue
- Professional coffee machine to allow our students to work towards a Barista Certificate
- Software packages for a range of subjects

STUDY SKILLS - SAMURAI

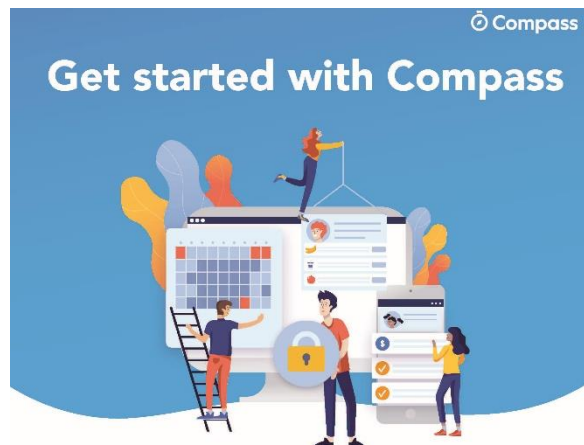

The Study Samurai is an online secondary school resource library, combining study skills techniques and mental health and wellbeing strategies.

School, study, stress and mental health are critical concerns for our young people, their parents and teachers. The top issues of personal concern for young people are:

- Coping with stress
- School or study problems
- Mental health

Students will have access to the resources of Study Samurai at school and home throughout their journey in high school.

COMPASS

Compass is a web-based system, which allows you to access up-to-date and meaningful information about our school and your child's progress.

- Monitor your child's attendance, and enter an explanation for absence or lateness
- Communicate with your child's teachers, and update your family contact details
