Year 10 2024 Course Selection Form

Dear Parent/Guardian,

Please be advised of the following regarding the course selection form:

- Students are reminded to choose carefully as it is not always possible to change classes unless there is a sound educational reason to do so. Any request for change must be provided in writing by the parent and this could result in the adjustment of the fees account.
- Whilst every attempt will be made to allocate your preferred courses this may not be possible due to:
 - (i) The class(es) being full or not running due to insufficient numbers.
 - (ii) The timetable preventing access to the combination of courses that you initially selected.

For your reference we have allocated the 2023 subject costs. Please note that these costs are subject to change for 2024. Please visit the school website for Contribution and Charges information which is in the 2024 Parent Information Package. Contributions and Charges are sent out in Term 4.
