## Year 8 2024 Course Selection Form

Dear Parent/Guardian,

Please be advised of the following regarding the course selection form:

- Students are reminded to choose carefully as it is not always possible to change classes unless there is a sound educational reason to do so. Any request for change must be provided in writing by the parent and this could result in the adjustment of the fees account.
- Whilst every attempt will be made to allocate your preferred courses this may not be possible due to:
  - (i) The class(es) being full or not running due to insufficient numbers.
  - (ii) The timetable preventing access to the combination of courses that you initially selected.
